REGIONAL UPDATES

Windsor, Essex County and Pelee Island (RTO1) – Adriano Ciotoli, WindsorEats

- The Herb Gray Parkway Trail currently not open to public and awaiting announcement from provincial government. For info and status visit www.hgparkway.ca.
- Farm Dog Cycles and WindsorEats have both seen increase in number of participants in bike tours and community rides. Increase in participants from outside of Windsor/Essex County. Most recent Friday Night Lights, weekly bicycle pub crawl saw 150 participants.
- Windsor Open-Streets Festival set for two dates, July 17 & September 18. Detroit Open-Streets Festival also set for September 18. Exploring pilot project to facilitate cross-border ferry services for cyclists and pedestrians.
- Point Pelee National Park opened new trail network in 2016. 24 new Otentiks set to open in 2017, offering a great accommodation options for cyclists.
- Bike the Bridge is occurring again on October 9. Event allows cyclists to ride from Windsor, into Detroit and back over the Ambassador Bridge.
- Gear Up & Go cycling promotional program and marketing materials have been developed by a variety of tourism, transportation and health stakeholders to promote cycling across Essex County. For more information visit www.gearupandgo.ca.

Niagara (RTO2) - Sue Morin, Venture Niagara

- The Port Robinson Ferry service has been saved with secured financing for two years.
- Meetings with Metrolinx regarding Trails-to-GO program. Cycling signage along trail/route from Niagara Falls GO Train Station to Niagara River Recreational Trail.
- Working with Brock University on cycle tourism research aimed at understanding business impacts of cycle tourists on small businesses.
- Held a Niagara Cycling Tourism Summit February 24, 2016. Considered a great success with a strengthening of relationships and partnerships across all stakeholders.
- Share The Road hosting a Bicycle Friendly Community Workshop on July 14. Niagara Region currently has 6 out of 12 municipalities designated Bicycle Friendly by Share The Road.

Hamilton Halton Brant (RTO3) – Dana Murray, Heart of Ontario

- RTO continues to move forward and develop a new cycling route around Hamilton Harbour.
- Have hired a Cycle Tourism Destination Development Specialist now working on a number of product development initiatives.
- Halton Region Cycling Map continues to be popular with consumers.

Huron County (RTO4) - Con Melady

- Huron County is in the process of developing a countywide cycling strategy.
- Huron County Cycling Strategy Working Group hosted a Share the Road CC Bicycle Friendly Communities Audit and Community Engagement Session on May 18 and 19. Strategy scheduled to be received by County Council in November this year.
- Goderich to Guelph Rail Trail (G2G) has landed core funding from government to complete trail connections along the 127km corridor to Lake Huron. The funding, if matched by \$150,000 in private donations, will replace bridging along the length of the trail and establish a traffic free link from the GTA to Ontario's West Coast. Fundraising launched through Indegogo and Tilt targeting \$75,000 each. Donor recognition levels are available as is entry into a "Win a Fat Bike" draw. Visit www.g2grailtrail.com for details.

Cambridge / Waterloo (RTO4) - Matthew Sweet, City of Cambridge;

- 19th Annual Cambridge Tour de Grand a success. Just shy of 3,000 participants. Hosted on June 12 2016.
- Region of Waterloo Cycling Map & Guide 1st Version released. Collaboration between the three cities (Waterloo, Kitchener and Cambridge), municipalities and Waterloo Region, as well as Explore Waterloo (Waterloo Region Tourism Marketing Corporation).
- Increasing the number of Bike Valets available to visitors are special events across the Region of Waterloo throughout the summer.

Durham Region (RTO6) – Lori Talling, Durham Tourism

- Ontario By Bike hosted a well-attended Cycle Tourism Development Workshop in Whitby in April. Good cross-section of industry stakeholders with over 50 participants in attendance. Findings from breakout session gave indication of opportunity areas for future.
- \$150 Bike Rack Incentive campaign implemented for businesses that registered with the Ontario By Bike by June 30th. Currently have 91 businesses registered as bicycle friendly.
- Updating Durham Cycle Tours Map with feedback from local cycling community
- Central Counties Tourism (RTO6) and Greenbelt Foundation are developing new cycling loop in Uxbridge.
- Working on pilot project with MapYourCity (mobile application) allowing the region to map locations along the Waterfront Trail in Durham.
- Durham Region planning staff are moving forward with integrating Regional Cycle Master Plan with Transportation Master Plan.
- Cycle Durham working on a new cycling communication strategy.

Simcoe County (RTO7) - Brendan Matheson, Cycle Simcoe

- Cycle Simcoe was developed through an Ontario Trillium Foundation grant. It is now under Tourism Simcoe County.
- With cycling routes and maps in place, Cycle Simcoe is moving forward with experience development. In July, Historical Cycling Route (7km) will be launched and feature 4 regional historic sites.
- The Simcoe County Loop Trail is a 160km loop, completely off-road and is being signed and launched in 2017.
- Cycling safety video campaign released through Cycle Simcoe. Four 30-second safety videos were created to help clarify the Highway Traffic Act. www.cyclesimcoe.ca/safety.
- Continuing to improve interactive map with new additions of Ontario By Bike registered businesses.
- Installing 5 new bicycle repair stations throughout the county, including at historic attractions. Currently have 15 stations installed.

Northumberland County (RTO8) - Cori Arthur, Northumberland Tourism

- Northumberland County's GIS staff to catalogue significant grades / hill climbs throughout the county.
- Several downtown locations have asked for 'next steps' on developing cycle tourism. They have been directed to Ontario By Bike's Bicycle Friendly Business Area designation category.

- The Town of Cobourg launched a bicycle rental program this summer. Currently renting 14 hybrids and cruisers from beach location. Local map produced as well. More information available at www.cobourgtourism.ca.
- Successfully utilizing drone images (stills) in online marketing/advertising. Tracking of engagement allows Northumberland Tourism to showcase specific attractions (Rainey Gorge Suspension Bridge) in cycle tourism campaigns moving forward.

Southeastern Ontario (RTO9) – Alan Medcalf, Brockville Cycles

- Gananoque has opened new tourism visitor information centre, on the Waterfront Trail with bike rentals and is repurposing a park downtown (and on the Waterfront Trail) to include picnic tables, route maps. Aimed to be a 'meeting place' for cycle tourists.
- Work continues on the interchange of Hwy 137 and the 1000 Islands Parkway to rehabilitate the bridge overpass as well as reconfigure the bridge and interchange to accommodate the St. Lawrence Recreational Trail.
- Discussion between St. Lawrence Parks Commission and local stakeholders regarding improving the western terminus of the St. Lawrence Recreational Trail near Gananoque are underway to improve safety and encourage family access.
- Development of a mountain bike trail network at Jones Creek (along the 1000 Islands Parkway) continues in planning with budget in place.
- Belleville continues implementing cycling network with opening of city bike lanes this spring.
- Infrastructure projects in Brockville aim to improve connectivity into/out of town with new bike lanes (from west) / bike trail (from east).
- Work continues to expand and renovate Brockville's Brock Trail multi-use network, with current additions underway that will link Waterfront Trail along the River, through the city to the northern edge and to the Mac Johnson Wildlife Area and its 11km of trails.
- Frontenac Arch Biosphere renovated offices, just west of the Ivy Lea Bridge, are now also a tourism office with visitor info, maps, and public washrooms.
- New tour operator offering cycling and pedal/paddle tours on Rideau Heritage Route. More information at www.rideautours.ca. They're also working with AHOY Rentals in Kingston to coordinate a shuttle service for those looking to paddle or cycle just one direction along the Route.
- Group shuttle and luggage transfer services in Eastern Ontario available through The Country Shuttle (www.thecountryshuttle.com).
- New bike rental locations (Ideal Bikes) opened in Wellington (PEC).
- Kingston By Bike offering guided historic tours of old Kingston.
- The 2nd Annual Thousand Islands Gran Fondo set for September 11. tigranfondo.com
- Heritage Bikes and Rentals in Perth now offers bike rentals, route maps and guided tours (town, countryside or "cultural"). See: www.heritagebikesandrentals.com/bike-rentals/
- Effort is underway to expand the number of Ontario By Bike registered locations in Brockville, with preliminary discussions between Downtown BIA and Ontario By Bike occurring.
- Lennox & Addington have successfully implemented paved shoulders policy for all county roads and have an extensive selection of mapped cycle touring routes through the county (see www.countytrails.com), "Discover L&A Ride" on Sept 24 will be an organized tour with stops at breweries, historic places, wineries and more. www.DiscoverRide.ca.

Ottawa (RTO10) - Catherine Frechette & Megan Peckford, Ottawa Tourism

- Partnering with City of Ottawa with Ottawa Centre Eco-District to develop a new half-day, self-guided cycling tour titled 'Capital Cycle Tour' along bike pathways. This is included on 'Counter-Top Maps' and made available at hotels, attractions and conference venues across Ottawa.
- Partnership with Prescott-Russell, to expand membership and develop rural tourism product offerings. Cycling will be a key component.
- Exploring shuttle service through pilot project with ParkBus from Ottawa to Gatineau.
- City of Ottawa is developing 10 new rural cycling routes and 4 urban cycling routes.
- Working to improve the cycling-related webpages on Ottawatourism.ca to add cycling content, web links and downloadable pdf maps.
- Receiving an increasing number of consumer calls regarding the lack of bike transportation (baggage car) on rail service to Ottawa. Looking to collaborate to create strong voice for advocating for improved services for cyclists.
- National Capital Commission's car-free Bike Sundays on Sir John A. Macdonald Parkway (9km) Colonel By Drive (8km) continue to be offered. Popular with cyclists.
- Bike tune-up stations installed this summer along bike pathways by City of Ottawa's Public Health Department.
- Ottawa hosted the Canadian Road (cycling) Championship and saw registration double, totaling 400 participants. Will be hosting again in 2017.
- In 2016 and 2017, Ottawa will host the Canadian Triathlon Championships.

Haliburton (RTO11) – Barrie Martin, Yours Outdoors

- Cycle Haliburton is making progress on the implementation of cycling strategy.
- Hosted community bike ride to celebrate Bike Month with local MPP Laurie Scott in attendance.
- Created a new Share The Road campaign this year to raise awareness of revisions to Highway Traffic Act. Print, radio and car magnets among other promotional materials.
- Launched a new Cycle Haliburton website (www.cyclehaliburton.ca), resource for cycling in Haliburton.
- Two local / regional bike tour operators offering product the region, including Bare Bone Cycle Tours and Yours Outdoors.
- Reprint of Cycle The Haliburton Highlands Map.

Almonte and Mississippi Mills (RTO11) - Jeff Mills, Riding in Mississippi Mills (RIMM)

- Finished hosting the 8th annual Mississippi Mills Bicycle Month, including successfully hosting 1st annual Vintage Bicycle Show and screening of *Marinoni: The Fire in the Frame* bicycle documentary.
- Completing the "Silver Chain Challenge" a friendly competition between Renfrew County and Lanark County to inspire and promote more active and healthier communities. (www.silverchainchallenge.ca)
- In 2016, Mississippi Mills received the Bronze-level designation as a Bicycle Friendly community through Share The Road. Increasing interest from surrounding municipalities from this designation.
- The Town of Mississippi Mills has completed an Active Transportation Plan and has an Active Transportation Advisory Committee, which is working with Ontario By Bike on a Bicycle Friendly Business Area designation.
- Hosted the third annual Eastern Ontario Active Transportation Summit in Kemptville in May of 2016.
- Continue to distribute a bi-lingual cycling map for Mississippi Mills.

- Lanark and Renfrew County have purchased a discontinued CN Rail Corridor from Smith Falls to Mattawa (296km). Cycling supporters organizing to present economic impacts in an aim to encourage corridor as non-motorized trail.
- Discussions with Waterfront Regeneration Trust to explore connecting Deep River to Ottawa through northeast Lanark County as part of the Great Lakes Waterfront Trail.

Parry Sound (RTO12) - Peter Istvan, Parry Sound Area Active Transportation Committee, Pedaling for Parkinson's

- New website for Get Outdoors Parry Sound (GOPS) promoting cycling, hiking, walking, and all things outdoors in the Parry Sound area. www.goparrysound.com
- Day passes or memberships for cycling at Georgian Nordic Ski club can be purchased online at our site, or in person at Trysport or Parry Sound Bikes
- Summer Events:
 - July 1 and 2 – Mactier Pedal and Play
 - July 9 – Summer Sounder MTB race
 - July 15-17, Pedaling for Parkinson's
 - July 23, Xterra Parry Sound
 - Aug 27th, Sun-Stars 8 Hour MTB Race Relay
 - Aug 28, Parry Sound Triathlon

North Bay and Area (RTO13a) - Jennifer McCourt, Discovery Routes Trails Organization

- Voyageur Cycling Route, a 380km cycling route from Deep River to Sudbury along the Ottawa River, Mattawa River, Lake Nippissing, French River and connecting to the Lake Huron North Channel Cycling Route. Feasibility study complete. Seed funding approved by Trillium Foundation for implementation. Goal to complete Trans Canada Trail sections (North Bay to Sudbury) by 2017.
- Branding for route complete, utilizing a bi-lingual route name (Velo Route Voyageur / Voyageur Cycling Route). Preparing detailed maps and coordinating test ride mobile workshops in September.
- Many local initiatives developing including very active Cycling Advocates of Nippissing organization; a family Bike Club; monthly rides including Councillor Rides in North Bay, where local volunteer brings out every one of the city councillors and the Mayor on rides to see best/worst cycling infrastructure in the city.
- Funding received to allow Discovery Routes Trails Organization to implement CAN Bike training and bicycle educational programs.

Manitoulin Island (RTO13a) - Maja Mielonen, Manitoulin Island Cycling Advocates (MICA)

- Celebrated and sold out 6th Manitoulin Passage Ride.
- Local MPP Michael Mantha now sits as co-chair on the All-Party Cycling Caucus
- Manitoulin and Le Cloche Cycling Route and Roads map 3rd edition printed, featuring over 800km of on road cycling routes and 45km of off-road trails.
- MICA was provided an opportunity, by the Waterfront Regeneration Trust, to speak in Espanola to highlight the cycle tourism opportunities for the area as a cross-roads between major cycling routes.
- After partnering with 4Elements Living Arts and local elementary school students to develop site-specific sculptures and cultural installations along cycling routes and trails, MICA unveiled first trailside sculpture.

- MICA held AGM in May, with guest speaker Jeff Sewell speaking about cycling on rail trails and specifically the development of rail trail between Espanola and Little Current.
- Improved cycling services with two bike rental locations available on Manitoulin Island, one in Kagawong and the other in Little Current.
- MICA launched it's first cycling product titled, "Alvar Treasure Rides," a pilot all-inclusive cycling vacation bike tour, from September 5-9.

Lake Huron North Channel Cycling Route (RTO13b) Michael Wozny, Tourism Northern Ontario

- The Lake Huron North Channel Cycling Route continues to move forward with Waterfront Regeneration Trust leading the project and an expected opening of the route by 2017, including signage and routing.
- The route is a 375km cycling route between Sudbury and Sault Ste. Marie and primarily off Hwy 17. The route traverses 21 communities and 3 First Nations.
- Successful mobile workshop hosted 52 stakeholders from May 29 to June 4.
- Tourism Northern Ontario is developing cycling routes on St Joseph Island and actively building and strengthening partnerships with regional stakeholders

Thunder Bay (RTO13c) - John Cameron, Thunder Bay Tourism

- Thunder Bay Tourism is the RTO marketing lead for Northwestern Ontario.
- Cycle tourism is a sector that is being developed in the city/region.
- Currently conducting an asset inventory of cycling experiences and resources, as well as gap identification for product offerings in city and beyond.
- Currently catalogued 45km of recreational multi-use trails and 30km of active transportation bike lanes in the city limits. An additional 25km of trails at Sleeping Giant Provincial Park, about 50km east of Thunder Bay.
- Looking at private enterprising product development at local ski area, where they have developed gravity track and trails.
- Hosting Caribou Charity Ride, which draws 400+ cyclists as well as 3rd annual X-Terra Triathlon in Sleeping Giant Provincial Park – expecting 300+ participants

CROSS PROVINCIAL UPDATES

Bike On Tours, Howard Pulver

- One website combining resources of Bike On Tours and Bicycle Ontario features over 400 Ontario municipalities and cycling resources in each.
- New 7th edition of the Ontario Bicycle Touring Atlas produced in 2016. New publisher is Lucid Maps. New routes have been added.
- 9 Packaged Tours now made electronic and available for download including RideWithGPS files. Have been added to GoBicycleTouring.com website.
- Developed Facebook Group called Ontario Bicycle Touring Network, now with 400+ members. People are encouraged to join.

Share the Road, Jamie Stuckless.

- Working on awareness campaign for 1 metre passing law and lights on bikes, with plans to launch print advertisement and video campaign in July province-wide.
- Launching stakeholder consultations in July for feedback on what stakeholders wish to see in CycleON Action Plan 2.0
- Coordinating Greg's Ride: Ontario's Ride for Safer Cycling on September 25 in Milton

- Have successfully advocated for inclusion of cycling infrastructure funding in Climate Change Action Plan (\$150 to \$224 million). Details found on pg.63 of Action Plan.

Waterfront Regeneration Trust – Marlaine Koehler

- Attended the Huron County's Share the Road Bicycle Friendly Communities Audit and Community Engagement Session on May 18 and 19.
- Waterfront Regeneration Trust and Metrolinx are working to establish and sign active transportation links between GO Train Stations and the Waterfront Trail. Revealing 10 connections by 2017.
- Working to develop 4 connection routes between the Greenbelt Route and the Waterfront Trail.
- Updated Waterfront Trail Google-based mapping program. Launching in July, this is a smoother and much more accurate representation of the trail and also mobile-friendly.
- New editions of the Great Lakes Waterfront Trail Lake Ontario Mapbook, as well as the Lake Erie and Lake Huron Mapbook were both updated in 2016.
- Great Waterfront Trail Adventure 2016 is sold out. Tour starts in Pelee Island, through Essex County and city of Windsor and celebrating the launch of the Waterfront Trail extension to Grand Bend.

Ontario Trails Council (OTC) - Patrick Connor

- Ontario Trails Council participating in Fun Pass promotion, through Ontario Government.
- Continue hosting successful regional workshops, including Trailhead Georgian Bay, Trailhead Renfrew and Trailhead North Marathon
- Working with a number of Economic Development Offices across province to capture a broad range of economic development strategies in terms of tourism and trails tourism.
- Working on the development of the 111km Kinghorn Rail-to-Trail project Nipigon and Thunder Bay.
- Successful passing of the Supporting Ontario Trails Act, which received royal ascent in Ontario. Ontario Trails Coordinating Committee continues to work in implementation.
- Declaration of Trails Week and Trails Day will be implemented moving forward, as well as Trails of Distinction and best practices framework.
- OTC will be working with Regional Tourism Organizations to development Trails Tourism Action Plans.

Ontario Tourism Marketing Partnership Corporation (OTMPC) – Steve Bruno

- OTMPC is exploring opportunities to execute between 2-5 photography shoots for cycling imagery this year. To be used in promotional materials moving forward.
